

NextDocument™

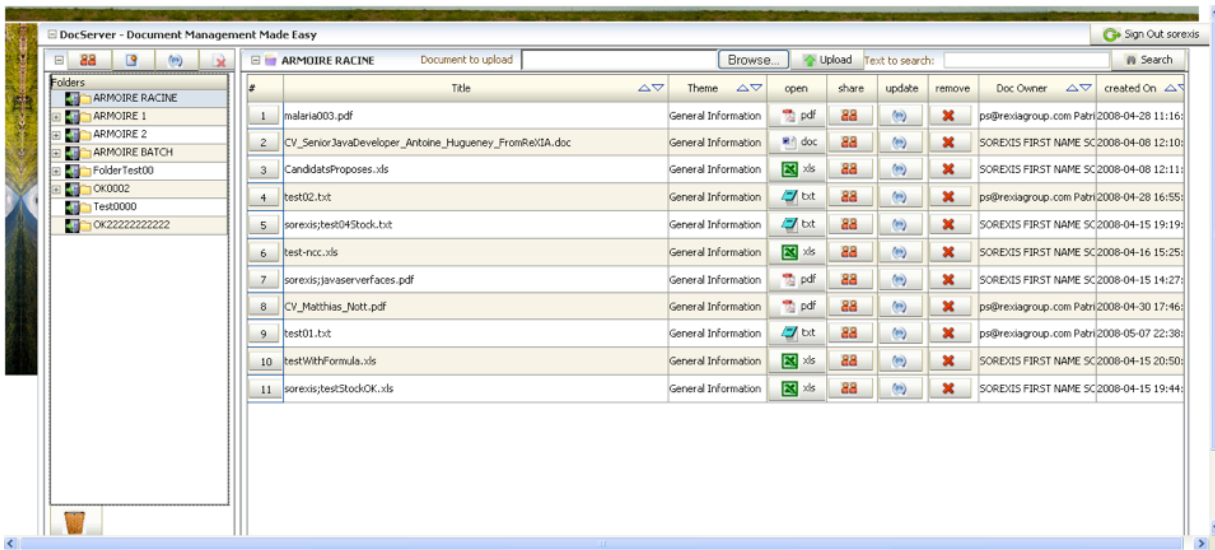

a document server solution

Getting the right documents at the right time and place is key to successful business. **NextDocument™** gives you access to your documents anytime and from anywhere through a secured internet connection. Storing, searching, tracking and sharing documents becomes trivial, so you will enjoy the freedom to focus on what really matters.

Any kind of document (texts, images, sound, video, etc.) can be managed by **NextDocument™**, and a direct connection to a fax and a scanner makes this solution applicable to all situations.

Key benefits

- ✓ Management of any type of documents
- ✓ Teamwork efficiency increased through document sharing
- ✓ From anywhere, anytime, get the documents you need
- ✓ Minimized impact of computer crashes
- ✓ Ease of use

NextDocument™ will be your best friend by performing the following :

- ◆ Centralize and backup all your company's files
- ◆ Prevent illicit access while providing document sharing features
- ◆ Make your documents accessible anywhere anytime
- ◆ Allow a classification fitting your needs
- ◆ Duplication, authenticity checks, etc.
